Kris Musgrave

First and foremost, I am a father of two wonderful children Elliott and Oliver. I am a graduate of Seward County Community College with a degree in Applied Science as well as an Associates of Nursing. I moved back to Liberal in 2014 after working as a Registered Nurse for seven years abroad. Now, I work with my father at Chrysler Corner here in Liberal. My family has owned and operated Chrysler Corner since 1974 and I am now the 3rd generation to work for this company.

Since 2015, I have been a member of the board of the Chamber of Commerce. In 2018, I was nominated as the board president and finished my term in 2019. During this time, I have served on the Legislative Committee, been a liaison to the former Economic Development board and now the Seward County Economic Development Corporation. I also serve on many other committees with the Chamber of Commerce such as; the Financial Budget Committee, the Golf Tournament Committee, and volunteer for many others.

In 2019, jointly, we developed the Seward County Economic Development Corporation. I was nominated as the Vice President of the Corporation and now serve as the President of the board. I was also on the committee to find a suitable Director for the Corporation.

Since 2004 I have been a Master Mason at the Fargo Lodge 300 in Liberal. In 2016, I became a 32nd Degree Master Mason and am now the Master of the Lodge. We are continuously looking for ways to serve the community as one of the oldest fraternities in existence.

I am also on the Advisory Board for the Seward County Technical School Automotive Program.

I will always consider Liberal my home and have only the best of interest for Seward County and its residents.
